

Lyndale Uniform Policy

To assist with providing a safe environment for students both within the school as well as on excursions, all students must wear the approved college uniform. The reason for this is that it makes it possible to readily identify our students as well as those who are not part of our community and to enable them to safely participate in college activities.

The correct wearing of uniform also adds to the student's sense of belonging to the college community and encourages the students to develop a sense of pride in the school.

When all students wear the college uniform it promotes the development of a sense of egalitarianism, so that all students can feel equal within the college. The provision of a college uniform also makes it cheaper for parents to provide appropriate and durable clothing for their children to wear to school.
