To help with the application process, please provide **copies** of any previous educational assessment results with this application. This could include:

- IQ test (only if available)
- ICAS competition results
- Grade 5 NAPLAN report
- Grade 5/6 school reports

NOTE: DO NOT SEND ORIGINALS. APPLICATION MATERIALS CANNOT BE RETURNED.

*I would like to seek entry for my child to the **Year 7 STEM** class at LSC in 2021. I understand that the STEM program is aimed at students of 'high intellectual potential' who have a desire to be challenged and that selection will be based on:*

- A thorough examination of available student achievement data*
- Primary school teacher and/or Principal recommendation*
- Parent/Carer recommendation*
- Interview (where appropriate)*
- Testing on the 13th of June at Lyndale Secondary College*

Parent/Guardian signature: **Date:**

Student signature: **Date:**

Please return this form, the Parent Nomination Form, and any accompanying documentation to:

Director of STEM
Lyndale Secondary College
PO Box 2684
DUNEARN VIC 3175
Email Scanned Copy to: joseph.sabine.s@edumail.vic.gov.au

Applications due 14TH September 2020. Earlier is preferred.

Once the STEM applications are received students will be sent confirmation of the application and provided with further detail about the testing day via email.

Make sure you have informed your child's primary school teacher so that they know to send in a teacher nomination/checklist. This is to be sent in separately by the teacher.
